

Technical Information – Protective Agent

Product number: 882.8

Product name: Lc 2/40 Protective Agent

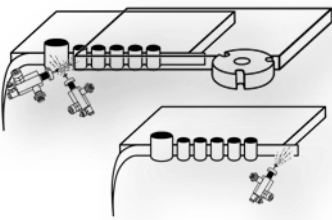

Areas of use: Lc 2/40 is a highly effective protective agent primarily used in the furniture industry for processing edges.

Physical data:

- **Color:** Blue
- **Consistency:** Liquid
- **Odor:** Solvent like
- **Density:** Approx. 0.816 g/cm³ (20°C)

Properties: LcM Protective Agent prevents unwanted contamination during processing

Application and description:

Precisely fitting edges is impossible, especially in the furniture industry, due to unpleasant adhesive particles on pressure rollers or sliding blocks. Excellent work requires precision and a good protective agent for tools. LcM protective agent is also recommended for processing high gloss / acrylic edges, where it leaves a fine protective film on the edge.

The result: the protective film no longer separates from the edge band while being processed in the machine.

Processing: Fill Cleaning Agent LC 2/40 in the reservoir on the spray unit and set the ideal spray rate. Carry out a trial run as a precaution.

Storage: Store in a cool and dry place. Can be stored for at least 2 years at proper storage.

Identification according to REACH: F – highly flammable
Identification required according to EU regulations

Packaging: 5, 10, 30 liter cans
or 200 liter plastic containers

Remarks:

Additional information can be found in our material safety data sheet.

Our technical applications advice, whether oral, written or through tests, is given based on the best of our knowledge; it is, however, only to be considered as non-obligatory advice, also with regard to any protective rights of third parties, and does not exempt you from your own examination of the products which we have delivered regarding their suitability for the intended purpose. Application, use and processing of the products occur outside of our supervision possibilities and are thus exclusively your responsibility. Should a question of liability nevertheless arise, this is limited for all damage to the value of the goods delivered by us and used by you. As a matter of course, we guarantee the perfect quality of our products in accordance with our general sales and delivery conditions. New editions take precedence and invalidate previous instructions. Please adhere to the EC security sheets.
